

# The Alpaca Research Foundation

PRESENTS the 2011

## SUPER STUD RAFFLE

*Huacaya*

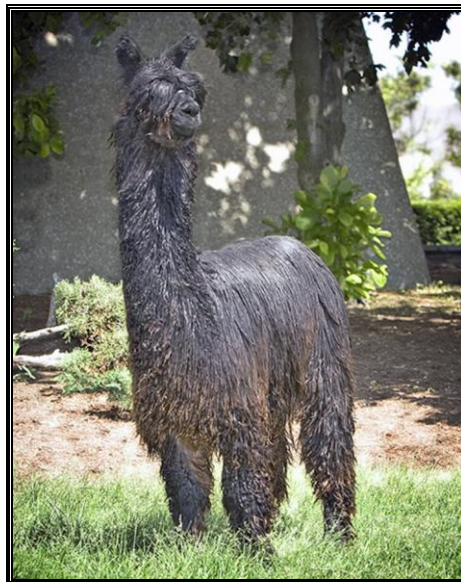

**Aussie .38 Special**

Carol Collins

**2010 AOBA Nationals JUDGES' CHOICE!**

In 2010, .38 Special received his second "Judges' Choice Fleece" award and also his second National Grey Fleece COLOR CHAMPIONSHIPS in a row at almost 4 years of age giving him a total of 20 Blue Ribbons and 13 CHAMPIONSHIPS to date. .38's offspring are "Aussume"! They are consistently exhibiting all of the fine qualities that gave .38 Special his many championships in both halter and fleece as they win Blue Ribbons and Championships at some of the largest shows in the Nation. Certainly the offspring are the best gauge of a herdsire's excellence. The Color Championship won by .38 Special at the '08 Futurity contributed to Carol being awarded the prestigious 2008 Futurity Small Breeder of the Year!

*Suri*

**MacGuyver's Balboa**

Nancy & David TenHulzen, Park View Alpacas  
Fred and Karen Biscella of Victoria Lane Alpacas

During the 2006-07 show season, Balboa won 16 AOBA Certified Halter Class COLOR CHAMPIONSHIPS as well as 20 First Place Halter Class Blue Ribbons under 10 DIFFERENT JUDGES, making him a WORLD RECORD HOLDER for the most AOBA Halter Class COLOR CHAMPIONSHIPS in history. Balboa received his 17th Color Championship at the 2008 AOBA National Fleece Show along with the very prestigious Judges Choice and **Best Lock Awards** (both awards were for all the color groups). During the 2010 Show Season 4 Balboa juveniles attended major shows. Between them, they were awarded Brown Male Futurity Color Champion, IAO Supreme Champion female, AWE Reserve Champion and the 4th one received Four 1<sup>st</sup> places ribbons at major shows including AOBA Nationals. Outside breedings closed.

**Raffle tickets: \$50.00 and being sold NOW!**
